## PRICE LIST, SEASON 1923

Hardy, Northern-Grown Plants for Northern Gardens

For Descriptions and Illustrations of Stock see our Catalogue

"CREATING YOUR LANDSCAPE"

### BUSINESS TERMS AND SUGGESTIONS

(READ BEFORE ORDERING)

**Order Early.** Since in our section, practically an entire year's nursery business must be handled during six weeks in the spring, congestion in our Order and Shipping Department is at that time very heavy. To enable us to give the best attention to your orders, we ask that you co-operate by ordering early.

**Prices.** As listed are F. O. B. St. Paul. NO CHARGE FOR PACKING.

**Terms.** Cash must accompany order as we do not ship C. O. D. unless remittance has been made to guarantee acceptance.

**Shipping Instructions.** Please advise when ordering if you want goods shipped by express or freight, giving best route for quick delivery. When not otherwise instructed, we will use our best judgment. All goods are at purchaser's risk after they are delivered to the forwarding company from whom we hold a receipt for the shipment in good condition. Claims for damage while in transit must be made to the transportation company who is directly responsible.

**Replacement Offer.** We will agree to replace at one-half of the current "each" price, any nursery stock purchased from us at catalog rates that fails to grow the first season after being properly planted and cared for. This offer is made with the understanding that the account be promptly paid in full when due. Any labor involved in planting such replace orders is to be charged in full to the customer.

### H. & O. LANDSCAPE SERVICE

Our customers will find our Landscape Service Department a real help in getting results in their planting work. We feel that any planting worth doing is worth doing well and offer the same professional service for both the modest residence grounds as for the large estate and public properties. Should your requirements be only a few shrubs for the door yard, we will gladly offer suggestions as to their selection and arrangement. Write us fully about your own particular problem.

Willow, Laurel. (Salix Pentandra)		.50	.75	1.00	1.50	.....	.....	.....	.....	.....
Willow, Weeping. (Salix Niobe)		.....	1.00	1.50	2.00	\$3.00	6.00	8.00	10.00	12.00

QUANTITY RATE—In lots of ten or more trees of one variety a ten per cent (10%) reduction on the “each price” is allowed.

Large size, specimen trees from five to seven inches trunk diameter can be supplied in many varieties. These give immediate effects and save years of waiting. Prices on request.

EVERGREENS

For descriptions of Evergreen varieties see our catalogue  
“CREATING YOUR LANDSCAPE”

Pages 12 to 15

NOTE—H. & O. Evergreens are hand-dug. A large ball of earth is lifted with each tree and held firmly in place with a burlap wrapping.
